Field Manager: Task History

On the Field Manager screen, tap **Task History** for a view of tasks that have been performed in the field.

The left side of the screen shows all of the tasks that have been recorded for the selected field. Tap a task to expand the list. Then, tap a task from the list to select it. Once selected, the Task Name on the right side of the screen updates to show the start and stop times recorded for the task.

If needed, you can tap in the **Task Name** field to edit it.

Tap **Home** to return to the Home screen.
